Introducing the 2025 Forest River Aurora 21BH Travel Trailer: Compact Lightweight and Packed with Features

The 2025 Aurora 21BH is the ideal travel trailer for those who crave adventure without compromising on comfort. Designed to be both functional and family-friendly this trailer combines a lightweight design with a spacious interior making it perfect for both weekend getaways and extended road trips. With a dry weight of 4 585 pounds the Aurora 21BH is easily towable by a wide range of vehicles and its manageable length of just under 26 feet makes it versatile enough for almost any campsite.

Perfectly Designed Floor Plan for Comfort and Convenience

Inside the Aurora 21BH you'll find a thoughtfully designed floor plan that maximizes every inch of space. Double-over-double bunks measuring 46"x74" are perfect for kids or guests offering ample sleeping space without taking up too much room. The trailer's 6-foot 9-inch interior height provides a sense of openness and comfort allowing you to move around freely without feeling cramped.

The kitchen area is equipped with extended overhead cabinetry giving you all the storage space you need for cookware and supplies. The dinette also features additional overhead cabinets providing convenient access to essentials while you dine. Underneath the bunks you'll find split storage that offers both interior and exterior access. This thoughtful design allows you to keep outdoor gear readily accessible from outside while still having plenty of space inside for other belongings.

Fully Equipped Kitchen and Spacious Bathroom

The kitchen in the Aurora 21BH is not only functional but also stylish with extended cabinetry and quality finishes. Whether you're whipping up a quick breakfast or preparing a family dinner you'll appreciate the convenience and storage this kitchen provides. Just steps away the spacious bathroom features a walk-in shower complete with a sink and vanity area so you can start and end your days in comfort. The 40-gallon gray water capacity and 30-gallon black water capacity ensure you can enjoy all the comforts of home without constantly needing to stop for maintenance.

Built-In Solar for Off-Grid Adventures

The Aurora 21BH comes standard with 200 watts of solar and ability to add on panels so you're ready for off-grid adventures

Outdoor Comfort with a 15-Foot Power Awning

The exterior of the Aurora 21BH is designed to enhance your camping experience. The 15-foot power awning provides a shaded outdoor area that's perfect for relaxing cooking or entertaining. With the exterior's sleek design and durable build you'll feel right at home in any outdoor setting. The fresh water tank holds up to 44 gallons so you'll always have plenty of water on hand for cooking cleaning and staying refreshed throughout your journey.

Lightweight and Towing Friendly

Weighing in under 5 000 pounds the Aurora 21BH is easily towed by many mid-sized SUVs and trucks making it an ideal choice for campers looking for a versatile towable trailer that doesn't require a heavy-duty vehicle. With a Gross Vehicle Weight Rating (GVWR) of 7 544 pounds and a cargo capacity of 2 959 pounds you'll have no trouble bringing along all the gear and supplies you need for a memorable adventure.

The 2025 Aurora 21BH blends comfort convenience and durability into a compact package making it an excellent choice for families and couples alike. Its lightweight design ample storage and thoughtful amenities ensure that you'll travel in style and comfort whether you're headed to the mountains or the beach.
